

The Saheeh International Quran Translation

لَا تَحْسَبَنَّ الَّذِينَ يَفْرَحُونَ بِمَا أَتَوْا وَيُجِبُّونَ أَنْ يُحْمَدُوا بِمَا لَمْ يَفْعَلُوا فَلَا تَحْسَبَنَّهُمْ
بِمَفَازَةٍ مِّنَ الْعَذَابِ ^{صَلِّ} وَلَهُمْ عَذَابٌ أَلِيمٌ

And never think that those who rejoice in what they have perpetrated
and like to be praised for what they did not do - never think them [to
be] in safety from the punishment, and for them is a painful
punishment.
