

The Saheeh International Quran Translation

قَدْ مَكَرَ الَّذِينَ مِنْ قَبْلِهِمْ فَآتَى اللَّهُ بُيُوتَهُمْ مِنَ الْقَوَاعِدِ فَخَرَّ عَلَيْهِمُ السَّقْفُ مِنْ فَوْقِهِمْ
وَآتَاهُمُ الْعَذَابُ مِنْ حَيْثُ لَا يَشْعُرُونَ

Those before them had already plotted, but Allah came at their building from the foundations, so the roof fell upon them from above them, and the punishment came to them from where they did not perceive.
