

The Saheeh International Quran Translation

وَهُوَ الَّذِي خَلَقَ مِنَ الْمَاءِ بَشَرًا فَجَعَلَهُ نَسَبًا وَصِهْرًا ^{قَالَ} وَكَانَ رَبُّكَ قَدِيرًا

And it is He who has created from water a human being and made him

[a relative by] lineage and marriage. And ever is your Lord competent

[concerning creation].
