The Saheeh International Quran Translation

لَوْلَا يَنْهَاهُمُ الرَّبَّانِيُّونَ وَالْأَحْبَارُ عَن قَوْلِهِمُ الْإِثْمَ وَأَكْلِهِمُ السُّحْتَ ۚ لَبِئْسَ مَا كَانُوا يَصْنَعُونَ

Why do the rabbis and religious scholars not forbid them from saying what is sinful and devouring what is unlawful? How wretched is what they have been practicing.
